CONVENIENCE SITES

Definitions & Fees for Iredell County

Iredell County residents are required to display a decal for use of the site

- A. **Brush & Yard Waste:** *Included are items such as old firewood, clean leaves, grass clippings, shrubbery, limbs and cut trees under 8 inch diameter and no longer than 8 feet. No stumps of any size will be accepted. Loads larger than a secure pickup load will be directed to the Twin Oaks facility.*
Fee: No Charge
No yard waste will be accepted at the Harmony Convenience Site.
- B. **Construction and Demolition Waste:** *Consists wood, windows, vinyl siding, sheetrock, insulation, paneling, cabinets, fixtures, carpeting, flooring or any material from construction or remodeling activities. Concrete, asphalt, brick, block, dirt, shingles, gravel and rocks will not be accepted at this facility. Large loads will be directed to the Twin Oaks facility.*
Fee: \$16 per pickup load
\$8 per 1/2 pickup load
- C. **Household:** *Materials generated by the day to day housekeeping activities of a single family residential unit. Includes kitchen waste, food packaging, clothing, toys, floor sweepings and furniture. There will be no charge for these materials for residents that have paid the Solid Waste Availability Fee.*
- D. **Recycled Materials:** *Consists of glass, aluminum cans, steel cans, mixed paper, cardboard, plastic, motor oil, anti-freeze, batteries and scrap metal. Must be source separated.*
Fee: No charge
- E. **Tires:** *Homeowners are granted free disposal of five (5) tires off the rim per year. Any tires on the rim will be assessed a fee.*
Fee: Five (5) off the rim free, on rim \$4 each.
- F. **White Goods:** *Consists of refrigerators, stoves, freezers, air conditioners, hot water heaters, washers, dryers and water coolers. Must be kept separate from MSW.*
Fee: No charge
All White Goods Must Be Free of Food & All Other Waste Before Disposal.

All incoming loads are required by NC State law to be covered or secured.

NC State permit does not allow out of county waste to be accepted at any of our facilities. All accepted waste must be generated from within the county.

ITEMS NOT ACCEPTED AT THESE FACILITIES

- *No animals (required to be disposed of at the Twin Oaks facility)*
- *No asbestos*
- *No commercial/industrial waste*
- *No televisions/ electronics*
- *No pallets*
- *No shingles*
- *No burnt wood, trash or ashes*
- ***No trailers over 10' in length or double loads will be accepted. All trailers over 10' in length will be directed to the Twin Oaks facility.***
