### **Iredell County To Break Ground On Jennings Park Renovations**

Iredell County Parks & Recreation Department will be conducting a ground breaking ceremony on scheduled renovations for Jennings Park on July 28th, 2023. The ceremony will take place at 141 Deitz Rd, Statesville, NC at 10AM & is open to the public. This ceremony will be the commencement of construction on the new state of the art park that is scheduled to be completed by Summer 2025.

Parks & Recreation Director Tate Osborne says, “The Iredell County Parks & Recreation Department is very excited for this long awaited project to begin. Once completed, Jennings Park will become a destination park for the residents of Iredell County & beyond to enjoy for years to come. We can’t wait to bring Jennings Park to the forefront of the discussion when Iredell County is brought up.”

The architect for the project will be Stewart Engineering. The construction of the park is going to be handled by Edifice General Contractors. The park renovations are set to include a fully inclusive playground, baseball fields, multi-purpose fields, outdoor pickleball courts, concession stands, walking trails, parking areas, & more.

For more information, contact the Iredell County Parks & Recreation Department at 704-878-3103.
