

Boards of Health Training & Orientation Supplement

Roles and Responsibilities of Local Public Health Governing Boards

New Board of Health (BOH) members have various levels of public health knowledge. This orientation/training helps one understand the legal roles and responsibilities of the health department, health director and BOH to take on the governance role more quickly and comfortably. This training is offered by the North Carolina Institute for Public Health—UNC Gilling's School of Global Public Health.

How do I access this training?

Click on the training link below and listen to the voiceover PowerPoint presentations.
